Introduction

This full day session ensures delegates are up to date and compliant with all requirements of the Safer Recruitment process and expectations. The course is fully accredited through the **Safer Recruitment Consortium**, working alongside the **Lucy Faithfull Foundation**.

Attendees: This training is suitable for:

- Management responsible for recruiting , HR staff, and Governors

Learning Outcomes:

- Identify the key features of staff recruitment that help deter or prevent the appointment of unsuitable people
- Background and context to safer recruitment
- Consider policies and practice that minimise opportunities for abuse or ensure prompt reporting
- Help participants begin to review their policies and practice in recruitment with a review to creating a safer culture

The session is delivered in 4 parts:-

- Part 1: Data/Research and characteristics of potential perpetrators
- Part 2: Safer recruitment process, checks and establishing a consistent approach
- Part 3: Application, references, interview and DBS: relevance of previous convictions
- Part 4: Establishing a culture of vigilance and maintaining a focus on safeguarding.

Delegates are ‘tested’ during the course of the day to reinforce learning and key messages and will have the opportunity to share practice, explore case examples with colleagues, ask questions and consider ways in which practice within your setting can be further strengthened.

Introduction

The purpose of the review is to assist the school in ensuring safeguarding procedures are compliant and that the school is meeting its statutory responsibilities for keeping children safe. It further extends the audit, and other challenge and monitoring processes.

A consultant will visit the school to conduct a comprehensive review of safeguarding practice across the whole school environment.

The review process will involve:

- An examination of key safeguarding documentation, policies and website
- Safeguarding learning walk around the school site and the learning environment
- Observation of the children entering the school in the morning
- Detailed review of the school's single central record and safer recruitment procedures
- A consultant interview with:
 - Headteacher / Designated safeguarding lead (DSL)
 - Members of school staff
 - Link governor for safeguarding
 - A group of children
 - A group of parents
 - School business manager

This review is suitable for:

- School leadership including the governance monitoring process
- Trust CEOs as part of the due diligence process of trusts looking to adopt new schools
- Schools planning and preparing for future Ofsted / ISI inspections
- Schools who need to get a full picture of strengths and weaknesses in safeguarding

Outcomes

A detailed report identifying:

- Background and context to the review
- Key safeguarding documentation and procedures established and embedded
- Good practice and potential gaps in each of the areas reviewed
- Summary and areas for consideration

Length of session: 6 hours in school, preparation and report writing

Cost	Core	Enhanced	Non-SLA

Introduction

CES provide schools with an Audit/Self Review document which can be completed individually, or in discussion with your identified CES consultant.

The Audit addresses:

- The key areas of the statutory Section 175 process and allows schools to self-review school safeguarding practice across a range of domains and then identify areas for improvement
- 10 key areas of safeguarding activity and enables schools to identify strengths and areas for improvement

The audit document can be downloaded from the member section of the website for all schools who purchase an SLA from ourselves.

Audit length to be agreed with the consultant.

School Review of Safeguarding Key Performance Indicators (KPIs)

**Code:
SM007**

Introduction

The purpose of the review is to assist the school in ensuring safeguarding procedures are compliant and that the school is meeting its statutory responsibilities for keeping children safe. Although not all of the Key Performance Indicators are statutory, they identify good practice in safeguarding to evidence compliance.

A consultant will visit the school to review the safeguarding procedures as detailed in the Key Performance Indicators.

The review process will involve:

- An examination of key safeguarding documents and procedures
- Discussions with the Designated Safeguarding Lead

Attendees: This review is suitable for:

- School leadership including the governance monitoring process
- Trust CEOs as part of an assurance process to check individual trust schools have key safeguarding procedures in place

Outcomes

A concise report identifying:

- Key safeguarding documents and procedures established and embedded
- Future actions and timescales
- Specific elements of good practice
- Possible whole trust / federation consistencies of approach (where relevant)

Length of session: Half day in school followed by report writing

Cost	Core	Enhanced	Non-SLA
In School	£375	3 credits	£450

Introduction

This review will be carried out by an experienced consultant who will undertake a review of your SCR and associated Safer Recruitment processes. We will provide your school with a report detailing compliance issues and good practice recommendations.

This is a valuable 'SCR health check' for all schools but in particular for those potentially awaiting an OFSTED inspection or those schools who have not been inspected for several years.

Attendees: This session is suitable for:

Headteachers / Principals

SLT and DSL with responsibility for safeguarding

School Business and Finance Officers with responsibility for maintaining the SCR

Outcomes

Your school will receive a detailed report which will describe SCR compliance issues gaps and areas requiring attention, information regarding Safer Recruitment issues, recent changes and good practice recommendations.

This report will be provided to you within 5 working days of the date of the review.

Length of session: 1 hour on site and 1.5 hours' report write up

Introduction

We recommend that schools ensure their staff are recording effectively. This session was developed by one of our trainers when it was found that many education staff had never received any training on recording effectively, which was resulting in avoidable mistakes and legal cases. This session ensures there is a clear understanding of the importance of effective record-keeping and that staff and organisations are aware of their responsibility in relation to recording.

Attendees: This training is suitable for:

- Those in direct contact with children and families, regardless of the organisation
- All staff required to keep records including Family Workers, Welfare, Teachers, education staff and admin
- Those supervising staff

Learning Outcomes:

- Develop new skills/methods for recording
- Describe the importance of effective record-keeping and safe practice
- Explore the potential consequences of poor practice
- Gain an understanding and develop good practice
- Detail the protocols and procedures to be followed regarding safe storage of records
- **Please note: This session can include a 15 minute CPOMS demonstration for new users of the system.**
