Introduction

This full day session ensures delegates are up to date and compliant with all requirements of the Safer Recruitment process and expectations. The course is fully accredited through the **Safer Recruitment Consortium**, working alongside the **Lucy Faithfull Foundation**.

Attendees: This training is suitable for:

- Management responsible for recruiting , HR staff, and Governors

Learning Outcomes:

- Identify the key features of staff recruitment that help deter or prevent the appointment of unsuitable people
- Background and context to safer recruitment
- Consider policies and practice that minimise opportunities for abuse or ensure prompt reporting
- Help participants begin to review their policies and practice in recruitment with a review to creating a safer culture

The session is delivered in 4 parts:-

- Part 1: Data/Research and characteristics of potential perpetrators
- Part 2: Safer recruitment process, checks and establishing a consistent approach
- Part 3: Application, references, interview and DBS: relevance of previous convictions
- Part 4: Establishing a culture of vigilance and maintaining a focus on safeguarding.

Delegates are 'tested' during the course of the day to reinforce learning and key messages and will have the opportunity to share practice, explore case examples with colleagues, ask questions and consider ways in which practice within your setting can be further strengthened.

Introduction

This session is one of our themed DSL safeguarding sessions previously delivered as our 2018-19 DSL annual refresher. Increasingly, DSLs are dealing with sexual harassment and violence cases in school. In 2018 the DfE included a new section in Keeping Children Safe in Education addressing this area. As a result of the changes, we developed this session to support DSLs to understand the changes and how they may impact on their practice.

Attendees: This training is suitable for:

Any staff with responsibility for safeguarding or who may work with higher risk pupils including:

- Designated Safeguarding Leads and Deputies, Management and Pastoral Staff

Course Content:

By the end of the training participants will be aware of:

- Their role and responsibilities in relation to safeguarding
- Have a clear understanding of the DfE current guidance including Keeping Children Safe in Education (Part 5)
- Considerations for managing risk
- The processes and how to deal with disclosures
- What to do if concerned about a child

Length of course: 1 hour

Cost	Core	Enhanced	Non-SLA
In School	£125	1 credit	£150

Introduction

The purpose of the review is to assist the school in ensuring safeguarding procedures are compliant and that the school is meeting its statutory responsibilities for keeping children safe. It further extends the audit, and other challenge and monitoring processes.

A consultant will visit the school to conduct a comprehensive review of safeguarding practice across the whole school environment.

The review process will involve:

- An examination of key safeguarding documentation, policies and website
- Safeguarding learning walk around the school site and the learning environment
- Observation of the children entering the school in the morning
- Detailed review of the school's single central record and safer recruitment procedures
- A consultant interview with:
Headteacher / Designated safeguarding lead (DSL)
Members of school staff
Link governor for safeguarding
A group of children
A group of parents
School business manager

This review is suitable for:

- School leadership including the governance monitoring process
- Trust CEOs as part of the due diligence process of trusts looking to adopt new schools
- Schools planning and preparing for future Ofsted / ISI inspections
- Schools who need to get a full picture of strengths and weaknesses in safeguarding

Outcomes

A detailed report identifying:

- Background and context to the review
- Key safeguarding documentation and procedures established and embedded
- Good practice and potential gaps in each of the areas reviewed
- Summary and areas for consideration

Length of session: 6 hours in school, preparation and report writing

Cost	Core	Enhanced	Non-SLA

Introduction

CES provide schools with an Audit/Self Review document which can be completed individually, or in discussion with your identified CES consultant.

The Audit addresses:

- The key areas of the statutory Section 175 process and allows schools to self-review school safeguarding practice across a range of domains and then identify areas for improvement
- 10 key areas of safeguarding activity and enables schools to identify strengths and areas for improvement

The audit document can be downloaded from the member section of the website for all schools who purchase an SLA from ourselves.

Audit length to be agreed with the consultant.

School Review of Safeguarding Key Performance Indicators (KPIs)

**Code:
SM008**

Introduction

The purpose of the review is to assist the school in ensuring safeguarding procedures are compliant and that the school is meeting its statutory responsibilities for keeping children safe. Although not all of the Key Performance Indicators are statutory, they identify good practice in safeguarding to evidence compliance.

A consultant will visit the school to review the safeguarding procedures as detailed in the Key Performance Indicators.

The review process will involve:

- An examination of key safeguarding documents and procedures
- Discussions with the Designated Safeguarding Lead

Attendees: This review is suitable for:

- School leadership including the governance monitoring process
- Trust CEOs as part of an assurance process to check individual trust schools have key safeguarding procedures in place

Outcomes

A concise report identifying:

- Key safeguarding documents and procedures established and embedded
- Future actions and timescales
- Specific elements of good practice
- Possible whole trust / federation consistencies of approach (where relevant)

Length of session: Half day in school followed by report writing

Introduction

We recommend that schools ensure their staff are recording effectively. This session was developed by one of our trainers when it was found that many education staff had never received any training on recording effectively, which was resulting in avoidable mistakes and legal cases. This session ensures there is a clear understanding of the importance of effective record-keeping and that staff and organisations are aware of their responsibility in relation to recording.

Attendees: This training is suitable for:

- Those in direct contact with children and families, regardless of the organisation
- All staff required to keep records including Family Workers, Welfare, Teachers, education staff and admin
- Those supervising staff

Learning Outcomes:

- Develop new skills/methods for recording
- Describe the importance of effective record-keeping and safe practice
- Explore the potential consequences of poor practice
- Gain an understanding and develop good practice
- Detail the protocols and procedures to be followed regarding safe storage of records
- **Please note: This session can include a 15 minute CPOMS demonstration for new users of the system.**

Introduction

This workshop has been devised to educate young people from the age of 11 to 17 years about the potential dangers of being involved in County lines & gangs. County lines are a very serious issue where criminal gangs set up a drug-dealing operation in a place outside their usual operating area. This can have a really big effect on the community and people who live there, bringing with it serious criminal behaviour.

Attendees: This training is suitable for:

All staff who are in contact with children including:

- Management, Teachers, Pastoral Staff, Support Staff and School Outreach Workers
- Young people – aged 11 to 17

Course Content:

By the end of the training participants will have an understanding of:

- Why young people become involved in gangs.
- The definition of County Lines
- How social media has a big impact on gangs, county lines and drugs.
- How young gang members can be exploited and blackmailed into selling and dealing drugs
- Risks of gang culture and how county lines are threatening young people's lives.
